

AI Car Tune Editing (Assetto Corsa Car Tuner)

Mirandopolis SP (may be useful for any street circuit)

ADD-ON Cars

Only tested cars. List will grow.

If some non-listed chosen car is braking too much/earlier, create a tuned version with more BRAKE_HINT value

If you don't find the parameter just copy and paste the section and the line below (e.g. [TYRES], [UNDERSTEER]).
